The perfect stylish location

# Fashion Outlet Zevenaar

Soon a new outlet is to open in the Netherlands, close to the German border and directly off the new planned Zevenaar exit on the A12 motorway (as part of the extended German A3 Autobahn). Covering 19,400m<sup>2</sup>, the Fashion Outlet Zevenaar will be a luxurious and stylish development, boasting a variety of stores including 1,550m<sup>2</sup> dedicated to restaurants, as well as a supermarket directly opposite. In short, it is the perfect place for a day's shopping.

The architecture of the Fashion Outlet draws inspiration from Zevenaar and its surroundings. Distinctive buildings such as the De Panoven brick factory in Zevenaar, the historic Huis Aerdt in Herwen, the old market hall at Didam, elements from the Huize Babberich country house on the Halsaf estate and the Giesbeek pumping station will be brought together to create an atmospheric and high-quality design. When all of these elements are combined against the stunning backdrop of the location, it will truly be the ultimate shoppers' paradise.

# Optimal accessibility Perfect location

## Motorways

Centrally located along the busy commuter belt between the Netherlands and Germany, the site is easily accessible. Plans are in place for the crucial development of the access roads; the A15 from Rotterdam will be continued to join the A12 and both the A15 and the A12 are to be expanded to 2 x 3 lanes. With a parking capacity for more than 2,200 vehicles less than 2 minutes' drive from the motorway, visitors will be able to arrive and park with ease.

## Airports

The region is easily accessible for the international visitor. Zevenaar is approximately 60 minutes' drive from the international airports of Schiphol and Düsseldorf, and around 50 minutes from Weeze airport in Germany.

# The best outlet Catchment area

Extremely impressive catchment area

Fashion Outlet Zevenaar is located in one of Europe's most densely populated areas with approximately **13 million people living within a 60 minute drive time** and **30 million within a 90 minute drive time** based on the construction of the A15 . The area is also a renowned tourist destination with 19 million overnight stays in 2018 – making this an ideal outlet centre location.

The shop units perfectly designed  
**For your brand**

Creating the ultimate shopping experience together.

Easy accessibility, attractive surroundings, a variety of dining options and a wide selection of quality brands will make Fashion Outlet Zevenaar an unquestionable success with between 85 and 100 units available.

These units will be designed in the best possible way in depth, breadth and height to create the optimal sales environment.

The majority of units can be reached and supplied through a rear entrance due to the centre layout and comprehensive network of service roads. Temporary storage space is also available.

For internal use only!

# Excellent possibilities for expansion Phase II

## Pre-sorted for further growth in the future

The layout of phase 1 has already taken into account extensions in the near future. The most obvious option is to realize the extension on the parking lot. This creates a beautiful and logical routing. Parking garages can then be built on the three other parking areas, so that the lost parking spaces can be compensated, and many additional parking spaces can be realized.

The extensions including storage will amount approx. **20,000 m<sup>2</sup>**. The total project will be able to grow to approx. **40,000 m<sup>2</sup>**.

# Overnight stay with outlet view Hotel development

## Offering a wide range of facilities

In addition to the outlet, the planning for a hotel and leisure (food and entertainment) is in full development. The hotel and leisure have their own parking lot and are within walking distance for the visitor.

According to the current plans, the hotel will have approximately 120 rooms and approximately 1500 m<sup>2</sup> of leisure space is planned next to the hotel. Fashion Outlet Zevenaar can offer the consumer a wide range of facilities. It will be “the place to be” for the Dutch, the Germans and all other international visitors.

# Relax and shop in an Inspiring environment

## Relax in an inspiring environment

The immediate vicinity of the Fashion Outlet Zevenaar lends itself perfectly to an extended visit over several days. As well as a visit to Fashion Outlet Zevenaar, shoppers can treat themselves to an overnight stay in one of the attractive surrounding towns or our Fashion Outlet Hotel. The main attractions in the region are National Park Hoge Veluwe, Arnhem (city, Burgers' Zoo and Openlucht Museum) and Kröller Möller Museum. The big box retail park, next exit A12, in Duiven ([5 million visitors](#)) such as IKEA, MAKRO, LOODS 5, Media Markt, Intratuin and Hornbach is also very popular.

Marketing is targeted at both the Dutch audience as well as the key German market. A partnership has been agreed with the Regional Tourism Bureau for the Veluwe, Arnhem and Nijmegen, meaning the Outlet will be marketed in many different ways to a broad spectrum of potential (inter)national visitors.
